Where are we going to sleep?

Solar do Império - Petrópolis

This 19th century mansion was transformed into an elegant hotel. The Solar do Império was built on majestic Koeler Avenue by the coffee Baron João Antonio Passos, whose neighbors were the Emperor D. Pedro II, Princess Izabel, and the young aviator Santos Dumont.

All 16 suites are decorated in a classic style with king size beds, Egyptian linens, special pillows, air conditioning, heating, 20" cable TV, minibar , bathroom and a personal attention during check in.

Solar da Ponte - Tiradentes

Solar da Ponte Pousada has a privilege location, in the historical center of Tiradentes. The pousada could be distinguished by its location, but it has much more... With 3 different apartments categories (Standard, superior and Massimo), every room has a unique decoration, with all the comfort and excellence of a Traditional Portuguese Solar. Solar da Ponte offers large rooms for breakfast and afternoon colonial tea, bars, internet room, TV room, Reading room with fireplace, garden, pool, sauna and private parking.

Pousada do Mondego - Ouro Preto

With 24 apartments and Suites, this charming pousada is among history's landmarks in an 18th century Solar, the Pousada do Mondego is at the geodesic center of the D. Pedro I's Ouro Preto, 3.900 ft high.
