

Diving in Ilha Grande

The Ilha Grande Bay has one of the biggest shipwreck concentrations of the whole world. Many European Galleons shipwrecked between the XVI and XIX centuries in the Ilha Grande' s bay which was stage of battles among pirates, corsairs, and imperial invasions.

The outstanding areas are: Laja do Guriri (situated at the end of the Castelhanos), Jorge Grego's Island, dos Meros Island and Shipwreck. In general, these places offer a varied fund of fishes and colors. The better and favorite places are: dos Macacos

Island, Blue Lagoon and Green Lagoon. Dolphins and turtles are typical partners under the water
